

## 2010 Summer Residential Programme

As an alternative to homestay accommodation, we now offer residential accommodation at the Monaco Hotel, a modern and comfortable hotel located near the centre of the main town, St Helier. We have allocated one section of the hotel for up to 60 mixed nationality students plus St Brelade's College staff. (One staff member per twelve students).

Students are accommodated two or three per room. Each room has an ensuite bathroom, storage space and television. Students will be provided with a continental breakfast and two course evening meal at the hotel and a packed lunch to eat at school.

The hotel is about one mile from our teenage campus so students can easily walk to school and also take part in the evening activity programme which takes place in the main town (E.g. Cinema night, Sports evening and Disco night) All evening activities are supervised by St Brelade's College staff.

### Key Information

- Available for minimum two week sessions from the 26<sup>th</sup> June to the 21<sup>st</sup> August.
- Minimum age 14 years
- Airport / Harbour transfers included.
- Students attend the teenage campus and take part in the normal 'Holiday Course' programme
- Residential accommodation fees are £195 per week (+ one accommodation fee of £35)
